**This will also be used as a waiting list for returned tickets.**

Cheques should be made payable to Oxford & District Federation of Allotment Associations. 34/35 of the working allotment sites in the city are members of The Oxford and District Federation of Allotment Association (ODFAA). In 2019 we celebrate our centenary and this talk is a forerunner of our celebrations. Talks were a regular feature of ODFAA from its start and ODFAA renewed a commitment to organising talks in 2008.
